Beauty Spot Awards for 2020: ABC members are to bring 3 residential and 1 business nominations to the next meeting. Mary made and shared a map of all past beauty spot winners. This will help ABC focus on new areas from which to draw nominations. ABC has decided to choose all beauty spots in August so Mary will make new Beauty Spot signs for winners

6. Project Plans/Updates

- Crest Gardens= cannas planted, needs weeding
- Pearson Plaza/Otis Park= mulched
- Bayview Park= hoses installed and working well. 2 hydrangeas have died but they may be under warranty, will check into replacement
- Ellis Avenue= Mary to send email reminder to volunteers to keep up with weeding and deadheading medians, she will also email city about soaker hose hook ups
- Beaser Avenue= mulched, it was also decided to leave the Milkweed growing
- Parking Lot Gardens= suckers from trees in plots need to be trimmed. Pots planted with annuals look terrific
- City Hall= pots planted, Mary will ask city to water. Denise Oliphant has been working to revamp city hall tree gardens in the courtyard and they look amazing
- Public Works Planters= planted with annuals and look beautiful
- Boat Landing= Carol has been maintaining
- Memorial Park= planted with annuals and looks lovely
- Jane Smith Memorial= has been weeded and mulched
